

# Keep yourself and your family covered

## Make sure your information is up to date

Medi-Cal covers vital health care services for you and your family, including doctor visits, prescriptions, vaccinations, mental health care and more. So, if you have Medi-Cal, make sure you renew it when it's time.

### **Update your contact information**

Report any new changes to your name, address, phone number and email address, so your county can contact you.

### **Check your mail**

Counties will mail you a letter about your Medi-Cal eligibility. You may need to complete a renewal form. If you're sent a renewal form, submit your information by mail, phone, in person or online, so you don't lose your coverage.

### **Create or check your online account**

You can sign up to receive alerts on your case. Create or log into your account to get these alerts. You may submit renewals or requested information online.

### **Complete your renewal form (if you get one)**

If you received a renewal form, submit your information by mail, phone, in person or online to help avoid a gap in your coverage.
