

# Stay healthy. Stay covered. Stay current on your Medi-Cal information.

## Help your family stay healthy with Health Net Medi-Cal.

Help keep your access to doctor and hospital visits, preventive care and more. Check if you are still eligible for Health Net Medi-Cal. Visit [HealthNet.com/StayWithUs](https://www.healthnet.com/StayWithUs) today.

With the end of the COVID-19 Public Health Emergency you will now need to confirm your Medi-Cal information to see if you still qualify for free to low cost health care. **Review and update your information if you**

- Moved recently
- Started a new job
- Become pregnant
- Had a household income change
- Had a new member join your household
- Had any other changes to your contact information (email, phone number, name, etc.)

**Update your information at [BenefitsCal.com](https://www.benefitscal.com).**

Be sure to review and update your information.

Update your information on time to help you keep access to important services. These include doctor and hospital visits, wellness and preventive care, and more.
